

Hello from your newly elected President, Kelly Watson!

Serving most recently as Secretary from 2025-2026, I will now lead as the PacWest SFS President for 2026-2027.

I have been working in Student Financial Services at Cal Poly Humboldt since 2019 as the Collections Specialist at our University. I greatly enjoy working with students and getting them back on track with finances to complete their degree.

Over the next year, I look forward to continuing to work with our Executive Board and Members-At-Large. Stay tuned as we announce a virtual workshop event for Fall 2026 and please save-the-date (month) for our in-person conference – May 2027. More details and registration info for both events will be provided in the upcoming newsletters.

We're excited about the opportunities ahead and we are committed to our core principles of Education, Connection, and Inspiration.

Thank you for supporting PacWest SFS.

Sincerely,
Kelly Watson
President, PacWest SFS
