

Dear Colleagues,

As we approach the close of another fiscal year, we would like to extend our congratulations to all those who have recently celebrated graduations and academic achievements. These milestones represent dedication, perseverance, and a commitment to growth, and we are proud to celebrate them with you.

We also hope you are looking forward to successfully closing out another fiscal year and taking time to reflect on the accomplishments and contributions made throughout the year. As we move forward, we are focused on strengthening engagement and reconnecting with our members in meaningful ways. The relationships, collaboration, and shared experiences within our community are the foundation of our organization. We are excited to renew those connections, expand opportunities for involvement, and continue building a vibrant and supportive network for all members.

As part of this transition, we have experienced the loss of several members of our Executive Board, including our President, Vice President, and Treasurer. We are currently recruiting individuals to serve in these important leadership roles for the 2026–2027 term. If you are interested in serving, contributing your expertise, and helping shape the future of our organization, we encourage you to contact us for more information.

Looking ahead, we are excited about our upcoming 2027 Conference and the opportunities it will provide for professional development, collaboration, and networking. As we continue planning for the future, we remain firmly committed to our core principles of Education, Connection, and Inspiration. These values will continue to guide our efforts as we support our members and advance our mission.

Thank you for your continued support and engagement. We wish you a wonderful, restful, and enjoyable summer.

Additional information regarding conference updates, engagement opportunities, and surveys will be shared in the coming months.

Warm regards,
Rosemary S. Irvine
Interim Treasurer

PacWest SFS
Executive Board

MAY 2027 Conference

**More information with conference dates, location
and registration info will be provided in the Fall newsletter.
